CI of Police,
Srisailem Project, Kurnool Dt.

Dear Sir,

Sub: Dharna in view of Srisailem Project School Ground allotted for Heli Tourism – Reg.

We would like to bring to your kind notice that Srisailem Project School Ground is allotted for M/s Summit Aviation Pvt. Ltd., with ref to G.O RT. No. 1086 and therefore parking of chopper since four months.

The allotment is a real surprise as it is only play ground available for the children of Srisailem Project and many children playing in this ground were selected for District / State / National Level Competitions. This ground has also witnessed many zonal games in the recent times.

In the recent times our Association under the leadership of Sri V. V. Lakshmi Narayana, Ex JD CBI has constructed a compound wall with the funds from Govt. in view of protecting the ground from any encroachment.

There are many educational institutions here in Srisailem Project like Govt. High School, Govt. Junior College, Govt. Degree College, Govt. Polytechnic, B.C Welfare School, Elementary Schools and for all the children it is the only play ground available.

By allotting the playground for Heli Tourism, children are prevented for any sports activity and are deprived from their rights. Now we learnt that the fencing instructions are issued to R&B SE through the news published in various News Papers dt. 09.12.16.

In this regards we would like to perform DHARNA on this Wednesday, 21st Dec'16 and submit a representation to MRO, Srisailem Project through possession in peaceful manner.

We request your good self in kindly permitting for the same.

Thanking You Sir.

Yours faithfully
For Srisailem Project Old Students' Association

(G. Chandra Sekhar), President
