Meeting was started at 3.00 PM followed with agenda points.

- President has welcomed all the members and requested all members to observe 2 minutes of mourning for people expired recently including our School Head Master. All members present in the meeting observed 2 minutes of mourning.
- All members started the meeting with SPOSA Geetham.
- President has briefed about the activities done during previous period and requested all members to change our motto to improve the relationship among all old students for availing better support. Later we think about school activities, as it is also equally important and for our SPOSA existence.
- Also, President has declared that there shall be new EC as the present EC period is lapsed long time back. Requested all members to propose the criteria for choosing the New EC.
- It is also felt that the support and infrastructure developed by SPOSA are not being maintained by the school staff where most of the SPOSA members are not happy for supporting the school any further.
- Mr. Karimullah explained about the school requirements at present and requested other members to support atleast vidya volunteers.

- Mr. Rama Subba Rao assured to extend for any kind of support for Medical Camps organized.
- Mr. Ramana Murthy has assured to support for developing better ball badminton players from our school and he wanted to conduct the tournament during January 2020 at our School Grounds. Mr. Harinath assured to extend the necessary support.
- Mr. Raja Sekhar Lella made it very clear that the SPOSA bandwidth is very large and need to explore for building cohesion and therefore supporting each other. This should be the main motto of SPOSA henceforth.
- Mr. Harinath has advised that the total EC to be changed.
- Mr. Varada Rama Krishna has supported for the same as Mr. Harinath said.
- Mr. KVNPM Prasad suggested to change the EC with the following guidelines –
 - Elect main members from each batch and the elected members select the EC for the respective cadres.
 - Every Year, Silver Jubilee functions (those who completes 25 years) to be done and SPOSA shall monitor the same. Due to this, SPOSA activities will be alive. Even the 50-year-old student batch may join along with 25-year batch celebrations for better cooperation and coordination. This function shall be done at our school premises only.
 - The fund is also generated through the batch celebrations.
- Mrs. Kamala has advised for batchwise representation.
- Mr. Kalyan Chakravarthy has also supported for all batch representation and functions. The office space shall be developed in our school premises for better coordination.
- Mrs. V. Kanakadurga has suggested to have the following cells for better cohesion among old students –
 - Health Cell
 - Education / Job Demand Cell
 - Marriage Cell
 - Welfare Cell
- Mr. MMV Ravindranath has suggested to add Emergency Cell for any critical needs.
- Mr. Sudhakar Neel has suggested that the school shall not be neglected and need parallel activity in school along with the SPOSA members support cells as SPOSA is born from the school old students.

The final conclusions are as follows:

- Make Old Students group 1, 2, 3 in WhatsApp to enable to add more members for better communication.
- Encourage batchwise representation in the EC of SPOSA.
- Encourage 25-year-old student batch celebrations and monitor the same by SPOSA in every year with the corresponding batch.
- Funding required to be raised by the 25-year-old student batch celebration every year.
- The whole Executive Committee shall be reorganized with the batchwise representatives.
- Accordingly, the bylaws shall be revised.
- Vidya Volunteers shall be arranged by interested batches for this time. SPOSA may look into the same once the final report comes from Mr. Karimullah.

Request all members to elect atleast one member from each batch and two from active batches for electing New EC members except Chairman.
